I. APPLICATION INSTRUCTIONS FOR FPCA

- A** Your Social Security number is required. If you do not have a Social Security number, write none. Virginia will assign a number that will serve to identify you for voting purposes only.
- B** Military members, merchant marine members, and their spouses and dependents must provide the service identification number of the member. Overseas electors and/or their spouses and dependents must provide an identification number or name and address of employer. (See **I** below).
- C** Please include an email address here, if available, in case there are any questions about your application.
- D** In the open space along this line in Block 3, enter last day of residency at your Virginia voting residence address only if that home is no longer available to you.
- E** Provide the complete street address of your Virginia voting residence. A post office box is not sufficient. If your address includes a rural route number, describe its location in Block 6. For example: "on Highway _____, 2 miles past Highway _____, across the street from the _____ gas station." This address must be different from the one provided in Block 4 and must be within the county or city where you claim legal voting residence.
- F** Print the complete address where you want your ballot sent - usually your current mailing address.
- G** See Section II.E or III.E.
- H** If you do not list a party affiliation, you cannot vote in primary elections. You must indicate your political party affiliation when applying for a primary ballot (Example: Democrat, Republican) or write "none" in Block 5 of the FPCA. Primaries are held only if requested by the political party and then only if at least two candidates file for the office. Political party affiliation is not required if only requesting ballots for general elections. If you are currently registered and want to change your political party affiliation or you have previously declined to indicate a political party affiliation and you now want to vote in a primary election, you must submit a completed FPCA which includes your new political party affiliation to the General Registrar not later than 29 days before the election.
- I** You must provide complete information on where you last registered and voted. If not applicable, write "I have never voted". If previously registered in Virginia, your voter registration number is your Social Security number.
Uniformed Service members, merchant marine members, and their spouses and dependents must provide the branch of service, and grade or rank of the military member. Citizens residing overseas for reason of employment and their accompanying spouse/dependents must provide the name and address of the employer.
- J** You must sign and date the FPCA. When signing, you are swearing or affirming that the information is true and correct. No notary or witness required except when a voter is unable to sign the application due to a physical disability or inability to read or write.

II. UNIFORMED SERVICES

A. Who Can Do It

These procedures apply to persons who are U.S. citizens, residents of Virginia and members of the Uniformed Services and their family members. Uniformed Services are defined as the U.S. Armed Forces, merchant marine, commissioned corps of the Public Health Service and the National Oceanic and Atmospheric Administration.

B. Registering and Requesting an Absentee Ballot

You should send an FPCA to your General Registrar early every year and whenever you change your mailing address (see Chapter 2).

To register permanently and request an absentee ballot, send a completed FPCA to the General Registrar so that it arrives as early as possible before the election and not later than 5 days before the election.

If you are already registered and only wish to request an absentee ballot, send a completed FPCA to the General Registrar so that it arrives as early as possible, but not earlier than 12 months before the election and not later than 5 days before the election.

By using the FPCA, you are asking to receive ballots for every election in which you are eligible to vote for the next two regularly scheduled general elections for Federal office held after you initially filed your application.

C. Casting Your Vote

Ballot Return Deadline: Voted ballot must arrive by the close of polls on election day.

Local election officials mail absentee ballots approximately 45 days before an election.

Voted ballots may be returned by mail or by a commercial delivery service by the voter, but may not be delivered by a personal courier service or another individual who is not the voter.

If you have not received your state ballot in a timely manner, use the **Federal Write-In Absentee Ballot**. See instructions below and in Chapter 2, page 21.

D. Notary/Witness Requirements

FPCA: No notary or witness required except when a voter is unable to sign the application due to a physical disability or inability to read or write.

Returning a Ballot: The oath on the envelope must be witnessed.

E. Electronic Transmission of FPCAs and Ballots

- Virginia allows you to send the FPCA for registration and absentee ballot by fax. After faxing, submit the FPCA by mail.
- Virginia allows you to receive the blank ballot by email or fax upon request. To request that your ballot be sent to you by email or fax, include your email address or fax number with the country code in Block 2 and write the Eastern Standard Time that you would be able to receive the fax in Block 6 of the FPCA as well as the following statement: "I would like my ballot emailed, or faxed, to me." After receiving your email ballot you must print it out. You must complete the faxed or emailed ballot and return it along with the oath by mail or a commercial delivery service. Refer to <http://www.sbe.state.va.us> for more information.
- Virginia does not allow you to return the voted ballot by fax.

Please refer to Appendix B for specific instructions when transmitting election materials electronically. Use the following numbers:

(from U.S., Canada, Guam, Puerto Rico, Virgin Islands only)

International toll-free fax numbers

(See inside back cover)

F. Early Absentee Ballot

Virginia provides an early absentee ballot for the elections for governor, lieutenant governor or attorney general only. You are eligible to use this ballot if you are overseas and you will not be able to vote and return a regular absentee ballot within the time provided for regular absentee ballots.

Use the FPCA to request this early absentee ballot. In Block 6 of the FPCA, place one of the state special write-in labels from Section IV.G. If no labels are available, write in Block 6: "I am unable to vote in any other manner due to overseas military service. I request an early voting absentee ballot."

The early absentee ballot must be requested not later than 90 days before the election.

G. Federal Write-In Absentee Ballot

Virginia has expanded the use of the Federal Write-In Absentee Ballot (FWAB), SF 186. The instructions described in Chapter 2 of this *Guide* remain the same, except that Virginia also allows the FWAB to be used by any of the persons listed in Section A. above in primary, general or special elections for Federal offices. Additionally, for registered Virginia voters, the FWAB can serve simultaneously as an absentee ballot application and

ballot for Federal offices only as long as it is received 5 days before the election.

Instructions continue in Section IV: Uniformed Services & Civilians Outside U.S.

III. CIVILIANS OUTSIDE U.S.

A. Who Can Do It

These procedures apply to persons who are U.S. citizens and residents of Virginia, or overseas citizens. The term "overseas citizen" means a U.S. citizen who resides outside the U.S. and (except for living outside the U.S.) would be qualified to vote in Virginia.

- residents of Virginia temporarily living outside the U.S. who still have a Virginia place of abode available to them (for local, state and Federal office ballots) Mark 1.(b) on the FPCA.
- residents of Virginia living outside the U.S. by virtue of employment and their spouses and dependents living with them who were registered to vote immediately preceding the move overseas, who moved after July 1, 1999 and **who no longer have a Virginia place of abode** (for local, state and Federal office ballots) Mark 1.(b) on the FPCA and write the last date of residency at your Virginia voting residence address and the name of your employer in Block 6.
- all other citizens whose last residence before moving overseas was Virginia (for Federal office ballots only) Mark 1.(b) or (c) on the FPCA and write the last date of residency at your Virginia voting residence address in Block 6.

B. Registering and Requesting an Absentee Ballot

You should send an FPCA to your General Registrar early every year and whenever you change your mailing address (see Chapter 2).

You may register permanently and request an absentee ballot if you are a Virginia resident residing temporarily outside the U.S. and you maintain your Virginia place of abode by sending a completed FPCA to the General Registrar as early as possible before the election and not later than 29 days before the election.

If you are already registered and only wish to request an absentee ballot, send a completed FPCA to the General Registrar so that it arrives as early as possible, but not earlier than 12 months before the election and not later than 5 days before the election.

Residents of Virginia living outside the U.S. by virtue of employment and their spouses and dependents living with

them who were registered to vote immediately preceding the move overseas and who moved overseas on or after July 1, 1999 and other Virginians overseas who no longer have a Virginia place of abode may be registered temporarily. To register temporarily and request an absentee ballot, send a completed FPCA to the General Registrar so that it arrives not earlier than 12 months or not later than 29 days before the election. By using the FPCA, you are asking to receive ballots for every election in which you are eligible to vote for the next two regularly scheduled general elections for Federal office held after you initially filed your application.

C. Casting Your Vote

Ballot Return Deadline: Voted ballot must arrive by the close of polls on election day.

If you have not received your state ballot in a timely manner, use the **Federal Write-In Absentee Ballot**. See instructions below and in Chapter 2, page 21.

D. Notary/Witness Requirements

FPCA: No notary or witness required except when a voter is unable to sign the application due to a physical disability or inability to read or write.

Returning a Ballot: The oath on the envelope must be witnessed.

After receiving your email ballot you must print it out. You must complete the faxed or emailed ballot and return it along with the oath by mail or a commercial delivery service. F. Early Absentee Ballot

Virginia provides an early absentee ballot for the elections for governor, lieutenant governor or attorney general to any person voting from overseas who believes that he or she will not be able to vote and return a regular absentee ballot by normal mail delivery within the period provided for regular absentee ballots.

Use the FPCA to request this early absentee ballot. In Block 6 of the FPCA, place one of the state special write-in labels from Section IV.G. If no labels are available, write in Block 6: "I am unable to vote in any other manner due to living in an isolated or extremely remote overseas area. I request an early voting absentee ballot."

The early absentee ballot must be requested not later than 90 days before the election.

G. Federal Write-In Absentee Ballot

Virginia has expanded the use of the Federal Write-In Absentee Ballot (FWAB), SF 186. Instructions continue in Section IV: Uniformed Services & Civilians Outside U.S.

IV. UNIFORMED SERVICES & CIVILIANS OUTSIDE U.S.

A. Late Registration

military, (ii) members of the merchant marine, (iii) persons who reside temporarily outside the U.S. by virtue of their employment, and (iv) spouses or dependents of (i), (ii), and (iii) who reside with them.

C. Cancellation of Registration

Temporary registration for overseas citizens is canceled following the second Federal general election held after the overseas citizen registered to vote.

D. Action on Registration Requests

Registration applications must be complete. Failure to complete all requests may result in denial of your application.

E. Action Upon Denial of Registration or Absentee Ballot Request

Upon denial of your voter registration application or absentee ballot request, Virginia shall provide you with the reason(s) for the rejection. Persons denied registration may appeal to the circuit court. A form for petitioning the court is provided on the reverse side of the denial. Consult a legal assistance officer or civilian counsel.
